Subject: Kampachi NPDES / NEPA Public Comments

Ntale/Mark,

I'm meeting with Water Division staff today at 3:00pm to discuss the Kampachi NPDES permit and NEPA document. The draft permit and EA just came off public notice and received 6,400 (plus) public comments with a majority asking for a public hearing.

Just wanted to give you an FYI and see if either of you wanted to attend. Chris Thomas and KJ Shell from Water management have been invited to the meeting.

Thanks,
Dan
